

## COS - Purge (Delete) Saved Drafts (Agency Level 1/1 eLink and 2/2 eLink user types)

1. From the drop-down menu, select **Reqs > View my drafts**

2. If there are any saved drafts listed, select the draft that is to be deleted by clicking on the radio button:

3. Then select *Delete* in the “Actions” column:

**My req drafts**    Show Results 1-2 ▼

**Actions**    English (US)

	Select a draft	Class Title :
 Add new Req  Edit  Save as new  Delete  Export grid (Excel)  View printable page	<input checked="" type="radio"/>	FERRYBOAT OPERATOR
	<input type="radio"/>	HIGHWAY EQUIPMENT OPERATOR I

4. In the next window, select “OK”:

**Do you want to delete draft: FERRYBOAT OPERATOR?**

OK Cancel

5. Click on OK; the draft for the selected title will now have been deleted.

**Draft: FERRYBOAT OPERATOR has been deleted successfully.**

OK

**NOTE:** *This must be repeated for each draft that is to be deleted as only one draft may be deleted at a time.*
